

# EC DECLARATION OF CONFORMITY

We: **Coast Controls, Inc.**  
**7500 Commerce Court**  
**Sarasota, FL 34243**  
**+1 941.355.7555**  
**+1 941.359.2321 (Facsimile)**

declare under our sole responsibility that the product,

### Web Guide System

to which this documentation relates, is in conformity with the following documents:

Directive: **Pressure Equipment Directive** **97/23/EC**  
Categorization under the Pressure Equipment Directive: SEP  
Conformity Assessment Procedure according to Module: A

### Statement Explaining absence of CE Marking on the Web Guide System

Pressure equipment and/or assemblies [categorized in category SEP] must be designed and manufactured in accordance with the sound engineering practice of a Member State in order to ensure safe use. ... Such equipment and/or assemblies must not bear the CE marking referred to in Article 15.

### Statement regarding Machinery Directive **2006/42/EC**

The Web Guide System is excluded from the scope of the Machinery Directive as it is not a complete machine nor is it an incomplete machine. It is in the nature of a machine component, even though it is a collection of components aggregated to perform a specific function. It is not an incomplete machine because the only function the Web Guide System has is pivoting of a pair of rollers, and this function is not useful outside of a web-handling line.

Standard applied in light of moving parts  
**EN 12100:2010** **Safety of Machinery**
